## Dear Student,

As communicated in our previous mails during the 1st week of April, 2020 and subsequent email of 8<sup>th</sup> April, 2020 about the submission of assignments through email to <a href="mailto:eval01hyd@gmail.com">eval01hyd@gmail.com</a>, the earlier email provided to you i.e. <a href="mailto:eval0hyd@gmail.com">eval0hyd@gmail.com</a> has become full, and now we are giving an alternate IGNOU email id for submission of your handwritten scanned assignments in pdf file(s). We advise you to send the handwritten scanned copies of assignments to <a href="mailto:ramagiriramesh@ignou.ac.in">ramagiriramesh@ignou.ac.in</a> by following the below guidelines:

- 1. You need to submit scanned copies of handwritten assignments only.
- 2. Each course assignment has to be in a separate pdf file.
- 3. For each assignment course the file name must be as follows:
  Enrolment No. + Course Code For example, if Enrolment No. (123456789)
  assignment for MS01 is submitted, the File Name must be: 123456789MS01 in PDF format.
- 4. You may send all the assignments to the email id <a href="ramagiriramesh@ignou.ac.in">ramagiriramesh@ignou.ac.in</a>.

  And ignore the earlier mail id. In case if you have sent the assignment to the <a href="mailto:eval01hyd@gmail.com">eval01hyd@gmail.com</a> and received the message Inbox is full, we request you to forward the assignments to the new email id i.e. <a href="mailto:ramagiriramesh@ignou.ac.in">ramagiriramesh@ignou.ac.in</a>.
- 5. We advise you to send the assignments only to ramagiriramesh@ignou.ac.in only.
- 6. Those who have submitted assignments earlier are requested not to send the assignments again.

Further, if you are submitting assignments for 5 courses each assignment has to be named separately in the above format i.e. enrolment no.+ course code.

With best wishes,

Dr.S.Fiayaz Ahmed Regional Director IGNOU Regional Centre Hyderabad.
