

Indira Gandhi National Open University Regional Centre : Hyderabad

Dear Student,

Greetings from IGNOU Regional Centre Hyderabad.

Hope you are healthy and safe.

We are writing this communication to you during lockdown period to seek your support in the endeavours of IGNOU. An SMS is also sent to you in this regard.

As a student of IGNOU, the leader in distance education, you are aware that IGNOU has been established by an Act of Parliament in the 1985 and is a Central University and the first National University. It has emerged as the largest Higher Educational Institution as declared by UNESCO in 2010.

You may be aware that the Higher Educational Institutions (Colleges and Universities) have to be assessed for grading and ranking of the Higher Educational Institutions. Recently, it has been made mandatory for Open Universities in India to undertake this assessment and accreditation for grading of the Open Universities.

IGNOU, the pioneer in Open and Distance Learning, is the first Open University which has applied to National Assessment and Accreditation Council for the assessment and grading. In this regard, as part of this activity a Survey is being conducted by the National Assessment & Accreditation Council (NAAC), which is the apex body for the accreditation of all Universities. Your participation in the Student Satisfaction Survey (SSS) is absolutely essential, as this is an important parameter for accreditation of IGNOU.

As a bonafide student of this University, IGNOU's accreditation by NAAC will be of immense value to you in all your future endeavors. As IGNOU with good accreditation Grade Points will be recognized by all employers and other stakeholders.

It is requested to respond to the survey immediately as the NAAC portal will close on 31st August 2020. The SSS consists of only 20 MCQs in which you simply have to select the option. Only the last question you are expected to give your written feedback. It is requested to kindly spare 5 minutes of your valuable time in these difficult days of the pandemic.

With best wishes

Yours sincerely,

Dr.S.Faiyaz Ahmed
Regional Director
IGNOU Regional Centre
Hyderabad
